**NOTICE:**

**PUBLIC HEARINGS TO BE HELD FOR PUBLIC COMMENT ON PROPOSED  
RESOLUTION TO PLACE MUDD ROAD IN NONMAINTAINED STATUS:  
JULY 21, AUGUST 4, AUGUST 18, 2025**

We are writing to inform you that Harris Township is seeking to place Mudd Road (eastern section of Weis Rd) in a non-maintained status. This means that the township will officially no longer provide regular maintenance such as grading, snow plowing, or surface repairs on this section of roadway.

This change is being sought in accordance with Ohio Revised Code and in consultation with the County Engineer's Office. It is part of an ongoing effort to prioritize the safe and effective use of township resources.

If you have any questions or concerns about this change, we encourage you to contact the Township Trustees or the Ottawa County Engineer before August 4:
